

**CONTINUING REVIEW/PROGRESS REPORT FORM**

ERC Reference No: \_\_\_\_\_  Investigator-initiated trial

Principal Investigator: \_\_\_\_\_ ERC Approval Date: \_\_\_\_\_

Institute/Department: \_\_\_\_\_

Continuing Review Interval  
 Annual  Semi-Annual  Quarterly  
 Continuing Review Date: \_\_\_\_\_

Protocol & Title: \_\_\_\_\_  
 \_\_\_\_\_  
 \_\_\_\_\_

Use this form if you are requesting approval for continuation of this study i.e. if you are still actively recruiting participants or continuing visits; collecting data and analysis or writing manuscripts for publications. However, if all data collection and participants follow-up has ended and the study is either completed or cancelled, submit a Final report form

**RESEARCH TEAM**

Name	Role (PI, CO-1, Research Nurse Etc)	Responsibilities (*indicate numbers from the study tasks listed)	Date of GCP Training

- \*Study Tasks
- |  |                            |                        |
|--|----------------------------|------------------------|
| 1. Protocol Development                  | 4. Obtain informed Consent | 7. Data Entry          |
| 2. Study protocol assessments/procedures | 5. Chart Review            | 8. Data Analysis       |
| 3. Participant recruitment               | 6. Data Collection         | 9. Protocol Amendments |

**DETAILS OF THE STUDY**

Section 1: STATUS OF STUDY (What is the current status of this study? Check all that apply)

- Study not started  
Explain\* \_\_\_\_\_
- On Hold  
Explain\* \_\_\_\_\_
- Actively Enrolling  
 Study is  On-Target  Ahead of Schedule  Behind  Enrolling  N/A (ex. Chart Review)
- Closed to Enrolment
- Participants in follow-up
- Data Analysis
- Manuscripts/Publication Phase
- For study close-out Expected Date: \_\_\_\_\_
